Higher Ed Recreation *Virtual* Summit

DECEMBER 2 - 4, 2020

Due to the concern around COVID-19, and in alignment with the best practices laid out by the CDC, WHO and other relevant entities, The Higher Ed Recreation Summit has decided to go virtual for the 2020 Summit.

Bringing People Together to Help Each Other

The Higher Education Recreation Virtual Summit is three half days of uniquely structured interactive roundtable sessions, information sharing and networking - 100% online! Get introduced to dozens of others responsible for operations as well as senior representatives from the vendor community who will share how they're approaching industry issues. The Higher Education Recreation Virtual Summit is your opportunity to get insights on an immediate issue, learn what's working for your peers and what's not, and gain new relationships with colleagues from across the country.

HOW TO PARTICIPATE

To be eligible, you must be responsible for a college or university recreation department with 2,000 undergrad students or higher. Your title should be Director, Manager, or Supervisor. Most important, you should have decision-making authority or specific input into the products and services your system purchases.
